

Our Product Range

Care
Together

Supporting care since 1984, with Australia's most trusted incontinence brands.

DEPEND® and POISE® are market leaders in continence care. From our first continence product launch in Australia in 1984, we now have a range that spans over 60 unique items catering to every level of incontinence, helping you provide the ultimate level of comfort and protection for those with incontinence.

From developing gender specific products to new technologies, we're committed to always supporting you with products and resources that help you support others.

That's why we've created a support program called DependCare™. DependCare™ is an online resource centre dedicated to continence care. Members of DependCare™ will have access to the latest information on continence care, resources, regular email updates and an easy way to order POISE® and DEPEND® samples.

To join the DependCare™ community today or find out more about our comprehensive range of continence products, visit **DependCare.com.au**

At DependCare™, we care together.

POISE® Liners provide thin, discreet protection for light bladder leakage. They are more absorbent than leading period liners, with a four layer design that absorbs and locks away wetness into a super absorbent ABSORB-LOC® core. The soft, quick-dry and breathable cover of POISE® Liners provide all day protection when either sneezing, coughing or laughing.

POISE® CHARCOAL LINERS

POISE® Charcoal Odour Protection Liners provide trusted POISE® dryness and comfort, with additional odour control through charcoal technology. They offer discreet protection against light bladder leakage, also known as incontinence. Located under the dry-touch cover of each liner, these liners have a charcoal infused layer that helps neutralise odours. Combined with the ABSORB-LOC core, our Charcoal liners have dual odour protection with the same dryness and absorbency of our existing range. Providing additional coverage to period liners, they absorb bladder leaks commonly experienced when sneezing, coughing or laughing. Experience POISE® 3-in-1 Bladder Protection to enjoy comfort, dryness and odour control. You've got POISE® to keep you feeling feminine, confident and in control.

JOIN THE DEPENDCARE™ COMMUNITY PROGRAM

The DEPENDCARE™ community is a dedicated online continence care program designed to support you in caring for those with incontinence. By registering, you'll have access to:

- Online resources, folders and printable client handouts.
- The DEPENDCARE™ Sampling program.
- Community Bags that are kitted with client handouts and samples.
- Support from the DEPENDCARE™ team of specialist nurses and continence experts.

To join, visit dependcare.com.au and register to receive access to this program.

The Kimberly-Clark team of continence nurse advisors, registered nurses and aged care professionals are here to support residential care professionals with expert, practical advice.

The Partnership Program includes tools and facilities to empower staff to offer superior continence management. The program includes:

- Time-saving forms to ensure accreditation standards are met.
- DEPEND® and POISE® continence products for superior protection.
- Online educational programs designed by experienced continence experts.
- Online tools to help make ordering easier.

For more information on the Kimberly-Clark Partnership Program for Residential Care Professionals, call 1800 028 334 or visit dependcare.com.au
