

Introducing DEPENDCARE.™

DEPENDCARE™ is a new online support program dedicated to continence care. It's our way of helping you care for those who need it most.

At DEPENDCARE™, we care together.

DEPENDCARE™ – a new generation of continence care.

From our first continence product launch in Australia in 1984, we now have a range that spans across 40 unique items catering to every level of incontinence, helping you provide the ultimate level of comfort and protection for those with incontinence.

With our gender specific products and new technologies, we're committed to always supporting you with products and resources that help you support others. That's why we've created a support program called DEPENDCARE™ – a new generation of continence care.

By becoming a community member you'll get access to:

Continence care resources

DEPENDCARE™ is one central source for continence information. Whether you're looking for fact sheets, product information and fitting instructions, or helpful continence tips and government scheme information for your clients, it's all at your fingertips.

DEPEND® and POISE® samples

With a comprehensive range of continence products, becoming a DEPENDCARE™ member gives you access to DEPEND® and POISE® samples. Ordering online also gives you the benefit of keeping track of all your client orders.

Community Sample Bag

As part of our community, you can place an order for a Community Sample Bag. Packed with DEPEND® and POISE® product samples, the bag includes a Continence Tips brochure and our comprehensive Product Brochure.

Support from our specialist team

By joining DEPENDCARE™, you also get access to our specialist support team of continence nurses, advisers and our dedicated support representatives. An entire community is ready to assist with all your enquires.
